Sabio Veteran Shopping Sheet Pursuant Section 1018

Student Costs NOT Covered by VA Funding:

Parking:

Each Sabio Campus Has a Parking Structure. These parking structures are where you will have to park your vehicle while you are on campus. Sabio does not own or manage these parking spaces, and cannot include parking fees in our tuition and fees. Parking can cost around \$15 - \$20 for each day you are on campus. The Sabio Student is responsible for paying any parking fees.

Food While In The Training Facilities:

While you are on campus, you will have to pay for your own meals, we do not provide any meals and we do not have access to any vendors. All of our facilities are located in large metropolitan areas, and there are various restaurants available within walking distance. Students can also bring their own lunch, as we have refrigerators and microwaves at all our locations.

Equipment:

Students should have a laptop or Desktop computer with at least **12 Gigs of RAM**.

Students using a MAC must have 16 gigs of RAM and must have parallels installed, a software that allows you to run windows. The approximate cost of a laptop is \$1,000-\$2,500. Sabio does not sell computers. The approximate cost of parallels is \$75 - \$100, one time fee.

Transferred Credits

U.S. Military Veterans receiving VA benefits may request prior learning credit for evaluation by Sabio's CAO. In those circumstances, Sabio will maintain a copy of the student's request and the written record of the previous education and training of the veteran and, when prior learning credit is applied, Sabio will clearly indicate in the student record that appropriate credit was given for previous education and training, with the training period shortened proportionately, and the Veteran and the CSAAVE will be notified.

Pursuant Section 1018**

Certificate of Completion To Be Awarded

All Sabio Fellows will receive five (5) different assessments with a Senior Instructor or our Chief Academic Officer during the training program. Each assessment will allow the instructors to provide grades for the students. When a student assessment is completed, the Senior Instructor, or Chief Academic Officer, will log the findings of the assessment and give each student a grade via our Assessment Files. When an assessment is completed, the Sabio Instructors will notify the administrative team so that we may transfer the grades into the transcript and also include a passing grade in the Certificate of Completion that is issued to each student at the end of the program.

**Sabio Veteran Shopping Sheet
Pursuant Section 1018**

If a student scores at least a 70 in all the 5 (five) assessments, then the student will earn a Certificate of Completion. If a student does not receive at least a 70 in all 5 (five) assessments, then a student will only receive a transcript that details their grades, and will not receive a certificate of completion. If a student receives a 69 or less on an assessment, the student must receive a verbal notice and also be given the Notice of Lack of Academic Progress and/or Probation via email, and the administrative team must be copied on the email correspondence so that we may add these notices to the student files. If a student does not come current within 30 days after a probation notice is given, the student will be expelled. The Notice of Academic and Attendance Probations are found in the catalog, which has been given to the student and is also posted on our Sabio Website in the Regulatory Tab.
